OUR PHILOSOPHY OF EDUCATION

FARMER SCHOOL

We, the faculty of Farmer School, believe that all students should be given equal opportunity to an education that will develop attitudes, understandings, and skills which will help them become active citizens of their community, nation, and world.

Specifically, our major objectives are to:

1. Educate the child to meet the needs of a changing world.
2. Help the child develop an attitude of curiosity and create a desire to seek knowledge for himself.
3. Stimulate industriousness and self-discipline.
4. Provide a firm foundation for higher learning by teaching basic skills at the child's own level of ability, as well as by enrichment.
5. Create a classroom atmosphere in which success, security, understanding, mutual respect, and every opportunity to attain worthy educational goals are all prevailing.

FACULTY

VOCATIONAL AGRICULTURE

Instruction is provided in the areas of animal science, plant science, agricultural business, and agricultural mechanics. These teaching-learning areas are undergirded by and supplemented with vocational guidance and the development of leadership and citizenship abilities.

Emphasis is given to the practice of "learning by doing" -- students apply the principles and concepts learned in systematically planned learning experiences both during and after school hours. These experiences are obtained at school, at the student's home, or through businesses in the community which involve occupations in agriculture.

WHAT

SCIENCE DEPARTMENT

Biology, like all of science, is an organized body of knowledge gained from experimentation and objective observation, considered to be true and reliable but subject to change and revision in the light of new discoveries. Biology is also a method of inquiry and problem solving involving several procedures for investigation. The conquest of polio affords a dramatic example of the success of scientific methods.

BRICKLAYING

Since this is our second year of masonry training, we feel far more qualified in meeting its requirements over our first year.

We have discovered our bricklaying instructor, Mr. Hedrick, to be a highly skilled teacher. After several days of school, he had us working in our books and practicing the studied techniques. We, as his pupils, work well under his guidance.

The community of Farmer is receiving our work as a beneficial part of our training.

WE ARE . . .

PHYSICAL EDUCATION

Physical education is a phase of the total education program, and as such should have the same goal that gives purpose to all other learning experiences--the well-rounded development of all students as individuals and as responsible citizens in our democratic society. Physical education should be thought of as a "way of education". The selection and conduct of physical education activities are selected in full consideration to values in human growth, development, and behavior.

LIBRARY

The library is the information center of the school, providing materials needed to supplement textbooks and to supply recreational reading. The goals of the library are to help students use the resources of the library confidently and effectively, to give students a rich environment for learning, and to encourage a love of reading.

THE BUSINESS EDUCATION DEPARTMENT

Our Business Education Department is concerned with both the vocational and college-preparatory student. In Typewriting I our students learn the keyboard and mechanisms of the typewriter, and Typing II deals with more complex typing applications.

General Business is a basic course designed to help students understand, as well as function in, our free enterprise system. Business math strengthens the basic fundamentals of math and applies them to everyday business situations. Business communications stresses the need for more effective business correspondence.

Shorthand I and Office Practice are primarily vocational. Shorthand I is concerned with learning the theory of shorthand outlines, acquiring the skill to take rapid dictation, and transcribing accurately.

Office Practice incorporates an entire office situation.

MATHEMATICS DEPARTMENT

Our Mathematics Department offers a variety of math courses to take care of the needs of students taking the general course, as well as those students taking college-preparatory.

The freshman, who are taking the general course and not preparing for college, are offered General Modern Mathematics - a review of all fundamental operations in arithmetic. In their sophomore year, they usually take Business Arithmetic.

Students taking the college preparatory courses take algebra I their freshman year, followed by Geometry their sophomore year.

Algebra II is offered the third year for students wishing to continue their math in preparation for college.

GUIDANCE

The guidance program provides counseling for pupils who have special problems which interfere with their success in school. The program also provides means by which all pupils may obtain help in planning the work which they will do or the higher education which they will seek. Our ultimate goal is to have each pupil choose for himself that which will utilize his interests and abilities to the fullest.

HOME ECONOMICS

The Home Economics program should be available to all ages and both sexes. Because all ages and both sexes are members of homes, they need to become better able to understand our changing society.

The kind of home and family life for America's future rests in the hands of the boys and girls who are now in school. Therefore, it is of utmost importance that these young people have training in home and family living. Values instilled in their lives today will be transmitted to the families which they will bring up to carry on the future homes of America.

SOCIAL STUDIES

Economics is a science that attempts to explain how people make a living. We are endeavoring to make an intensive study of the terms required for the meaningful reading of writings in economics.

A careful study of money and banking, including the history of the development and use of money, the role of money in the United States, and banking as it affects money and credit, is necessary to understand the current economics problems of our country.

In United States and World History, we are studying the records of man's life from the past to the present. Those who cannot remember the past are condemned to repeat it.

JUNIOR MARSHALS OF 1966

Lynn Adams, Harriett Watson, Vickie Hill, Jimmy Routh, Barbara Kindley, Judy Robbins.
Adams CHIEF CHIEF

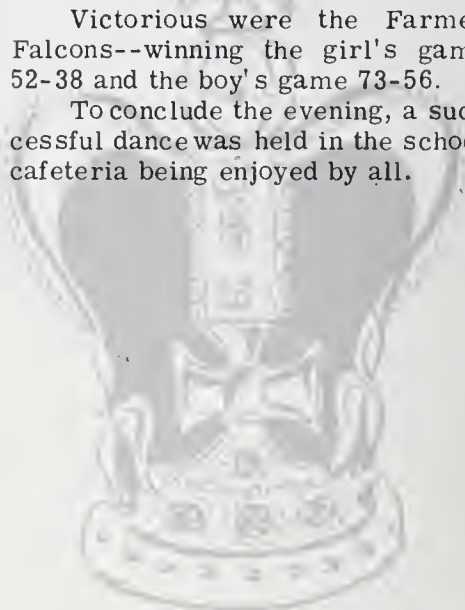

Harriett Watson--Queen--escorted by Johnny Owens.

February 17, 1967 was chosen as Farmer School's Homecoming where we played host to Grays Chapel teams.

Victorious were the Farmer Falcons--winning the girl's game 52-38 and the boy's game 73-56.

To conclude the evening, a successful dance was held in the school cafeteria being enjoyed by all.

HOMEcoming ROYALTY

QUEEN'S COURT

Kathy Jackson, Sophomore; Jackie Pierce, Senior; Harriett Watson, Queen; Patsy Kearns, Junior; Judy Waynick, Freshman.

The retiring Queen, Artie Poole, crowns Harriett Watson, the newly elected Queen of 1966-67.

Pictured before the Queen are Anna Waynick, flower girl, and Jerry Watson, crown bearer.

"DO ANY HUMAN BEINGS EVER REALIZE LIFE AS THEY LIVE IT . . . EVERY, EVERY MINUTE?"

Four years ago the Senior Class of 1967 entered high school. It was a new and thrilling adventure for all of us, and we were eager to begin as "Green Freshman". Our freshman advisors were Mr. J. Warren George, Mr. Eli Smith, and Mr. Talmadge Williams. We chose as our class officers: President, Vickie Hill; Vice-President, Nancy Hunt; Secretary, Janice Freeman; Treasurer, Sylvia Robbins. Our first year in high school was a lot of hard work, but we found time for a few moments of pleasure.

In 1964 we returned as "Silly Sophomores". Our class officers were: President, Ronald Pierce, Vice-President, Sylvia Robbins; Secretary, Nancy Hunt; Treasurer, Jimmy Routh; Reporter, Harriett Watson. Our advisors were Mr. J. Warren George, Mr. Robert Howell, and Mr. Daniel Kurger. Several of our classmates received the honor of being tapped into the Beta Club: Lynn Adams, Wanda Bray, Janice Freeman, Barbara Kindley, Vickie Hill, Dianne York, Judy Robbins, Bryce Smith, Clifford Elliott, and David Smith. We enjoyed several parties throughout the year.

In the fall of 1965, we returned as "Jolly Juniors", a title of which we were all very proud of. We were faced with the responsibility of many tasks. Our advisors were Mrs. Mary Watson and Miss Phyllis Wooten. We elected as our class officers: President, Ronald Pierce; Vice-President, Wanda Bray; Secretary, Nancy Hunt; Treasurer, Harriett Watson; Reporters, Hazel Yates and Paget Tysinger. Nancy Hunt and Harriett Watson received the honor of being tapped into the Beta Club. We began making plans to sell magazines in order to raise money for the long-awaited event—the Junior-Senior Banquet! This gala event occurred April 29, 1966, after much fun and hard work. Of course, our junior class was no different than any other. We just could not seem to wait for the day when we ordered our class rings. Our class presented a Candlelight Service for the seniors on Class Night. Those who were chosen as Marshals were Vickie Hill and Jimmy Routh, co-chiefs; Barbara Kindley, Harriett Watson, Lynn Adams, and Judy Robbins. We were sorry to see the seniors leave, but we knew that within a few months we would return to take their place as seniors.

In 1966 we entered school as "Mighty Seniors". We soon realized that our tasks for this year were even greater than in our junior year. We had the coveted task of publishing the best "Far Echoes" ever published! In October, we were happy to receive our class rings. Everyone was so proud of their rings that you would have thought every "senior to have only one hand—the hand on which they proudly wore their ring". Our senior class officers were: President, Ronnie Pierce; Vice-President, Jimmy Routh; Secretary, Patricia Hunt; Treasurer, Vickie Hill. Our senior advisors were Mrs. Mary Stephens and Mr. Robert Allen.

For twelve years, four for some and fewer for others, we have shared the joys and sorrows that came to us. We are saddened by the thought of leaving "Dear Ole' Farmer High", but we must face the future unafraid. As graduation draws near, we would like to express our many thanks to the parents, teachers, and friends who were always near at hand and willing to help us whenever they could.

As we part, each in his own direction, we are fully aware of our indebtedness to our school. May we be led by the Almighty God and be able to look back on our memories at Farmer High School.

Harriett Watson
Historian

THE CONQUERED CHALLENGE

Twelve years ago with curtains opened wide,
We faced the challenge to a tornadic tide.
It seemed so slow that time did pass,
Yet here we are graduating, the '67 Class.

As the curtains to the past start slowly closing,
Questions of the future our minds are posing.
We will look "Forward Ever; Backward Never",
To serve our Motto with a meaning so clever.

And as we bid our Alma Mater good-bye,
We each have a quiscial but expectant eye.
The memories of the days both good and bad,
Will always remain, both happy and sad.

Patricia Hunt
Poem Writer

ALMA MATER

Farmer High through all the ages we will loyal be,
we thy loyal sons and daughters, we'll have faith in thee.
Strong in spirit striving onward, we as students stand,
hail to thee "Ole' Farmer High School",
best in all the land.

Building Character And Skill *Through . . .* **ATHLETICS**

COACH JOHN S. CASTELLOE

COACH JOE P. FORTE

As many people judge a building by its outward appearance, so do they judge a school by the sportsmanship shown by the teams and their followers.

In no department of the school are character and sportsmanship more necessary than in the field of athletics. In no department are these values stressed more than by the coaches of the teams at Farmer.

Building skills helps the students to excel, but building character establishes a firm foundation for a useful, worthwhile life.

We express our sincere appreciation to the devoted scorekeepers, Max Lanier, Maxton McDowell, and Johnny McElreath.

Managers of the teams, we express gratitude for a job well done.

Cheerleaders, we give to you three cheers for keeping "the spirit" alive.

Belinda,
 Well! good "alv
 huddy" we made
 it through another
 long year, or basketweave
 year, turned out pretty
 good. Just think we have
 2 more. Just think 2 more
 yrs. of meanness HA!
 A huddy alvums!
 Myra!

Belinda,
 You're a real
 sweet girl and I've
 enjoyed knowing you
 as you are now for the
 rest of your life and
 you'll go a long way.
 Love,
 Jips

Belinda,
 It has been a real pleasure
 going to school with you
 these past years. I enjoyed
 "managing" you girls this
 year. Good Luck & may God
 Bless you always.
 Love
 Betty

Belinda,
 I have enjoyed knowing
 you these past years. We
 have had lots of good times
 this year.
 I hope you have a
 nice vacation.
 A Friend
 Forever,
 Dianne

Belinda,
 Been nice
 knowing you for
 the past year.
 You are a real
 nice girl so far
 as I know!
 Mary
 Saunders

Belinda,
 I have been
 knowing you in school
 and you will always
 be my friend. And I
 am going to school with
 you. May God bless
 you.

Belinda,
 You have been
 a very good friend of
 mine. You are nice, ho!
 and a little sweet with pickles
 Montie

Belinda,
 It sure has been
 loads of fun "really"
 getting to know you
 good. Remember all
 our good times at
 the ball games &
 in the bathroom. Lots
 of Luck to a real
 deserving girl.
 Love Always
 Shilyn

Belinda,
 I sure did enjoy
 cheering for you this year
 at those great games. I
 hope to do the same next year.
 Lots of luck to our cute girl
 A friend,
 Hilan

Belinda,
 I have really enjoyed
 being a friend of yours this
 year. We have had fun
 ever since the day I met
 you in Civics last year.
 I hope everything you
 deserve comes your way
 (Tee! Hee!). Seriously, I hope
 you find all the joys in
 life. Have fun this
 summer and watch those
 boys!
 Love Ya,
 Betty

Belinda,
 I think you
 were just a little
 mean at times but a little
 girl. Give a very nice
 mean at times but a little
 wouldn't do this summer.
 Love &

Belinda,
 you are a very
 nice and a very
 girl in many ways. May God
 bless you. I have a lot of love
 for you. I forget all these
 wonderful times we had in Mrs. Hoover's room.
 A friend
 Donald

Belinda,
 It's been fun knowing
 you these past 2 years.
 lots of luck in the future
 to a real sweet and cute
 girl. God be with you through
 out life. a friend always
 Wanda
 Hoover

Belinda,
 Good luck to a real friend.
 It has been a great pleasure knowing
 you for the past years. I hope
 that you will always be the best
 of friends. I'm still going to miss
 my car over there and let you fit
 it up. Oh yes, don't forget our
 times in the bathroom. Those were
 the days - just don't even forget
 what I told you Sunday or
 our way to high school. We'll
 just have to miss it some
 time soon maybe I'll have
 my license and the will take to
 well, good luck and cute
 a real sweet and kiss and
 girl. May God be the best
 of luck to you. May the best
 friend

I have enjoyed going
to school with you for
the past two years and
having you for a friend.
Best of luck to a real
sweet girl and May God
bless you.

A Friend
"Jerry"

"Reserved"

Belinda,

Knowing you for the past two years has been great. But the past year has been the best of my life. You're bout 'the sweetest girl I'll ever run across. I'll always remember all the good times we've had together. Maybe we could do it again, some day.

I hope you have the best of
Luck all through life.

(AII*)

See ya.

Love Roger

Belinda

I have enjoyed going to school with you these past years. You are a real sweet and pretty girl. May you have the best things life has to offer. Best wishes and Lots of Luck always.

This is Big Daddy Rabbit Sterve
now signing off.

"Reserved"

Belinda,

I don't know how to start off hardly but I'll try anyway. You already know you're the best friend I ever had and I hope I'm yours. We have really had some good times together and hope to have many more. I always could talk to you about anything and I'm glad I could. When I couldn't tell anybody else I could always come to you or Susan. I don't care what anybody says or thinks I think we're both pretty nice girls and not as wild as a few people think, (you know who I mean). I hope this summer we can go off together and double-date. Boy we'll have a ball then.

If I have ever made you mad (and I know I have) I'm sorry because I didn't mean to. We've always got together anyway. I hope we'll always be good friends. I hope I can tell you things you do wrong and not get mad like I do.

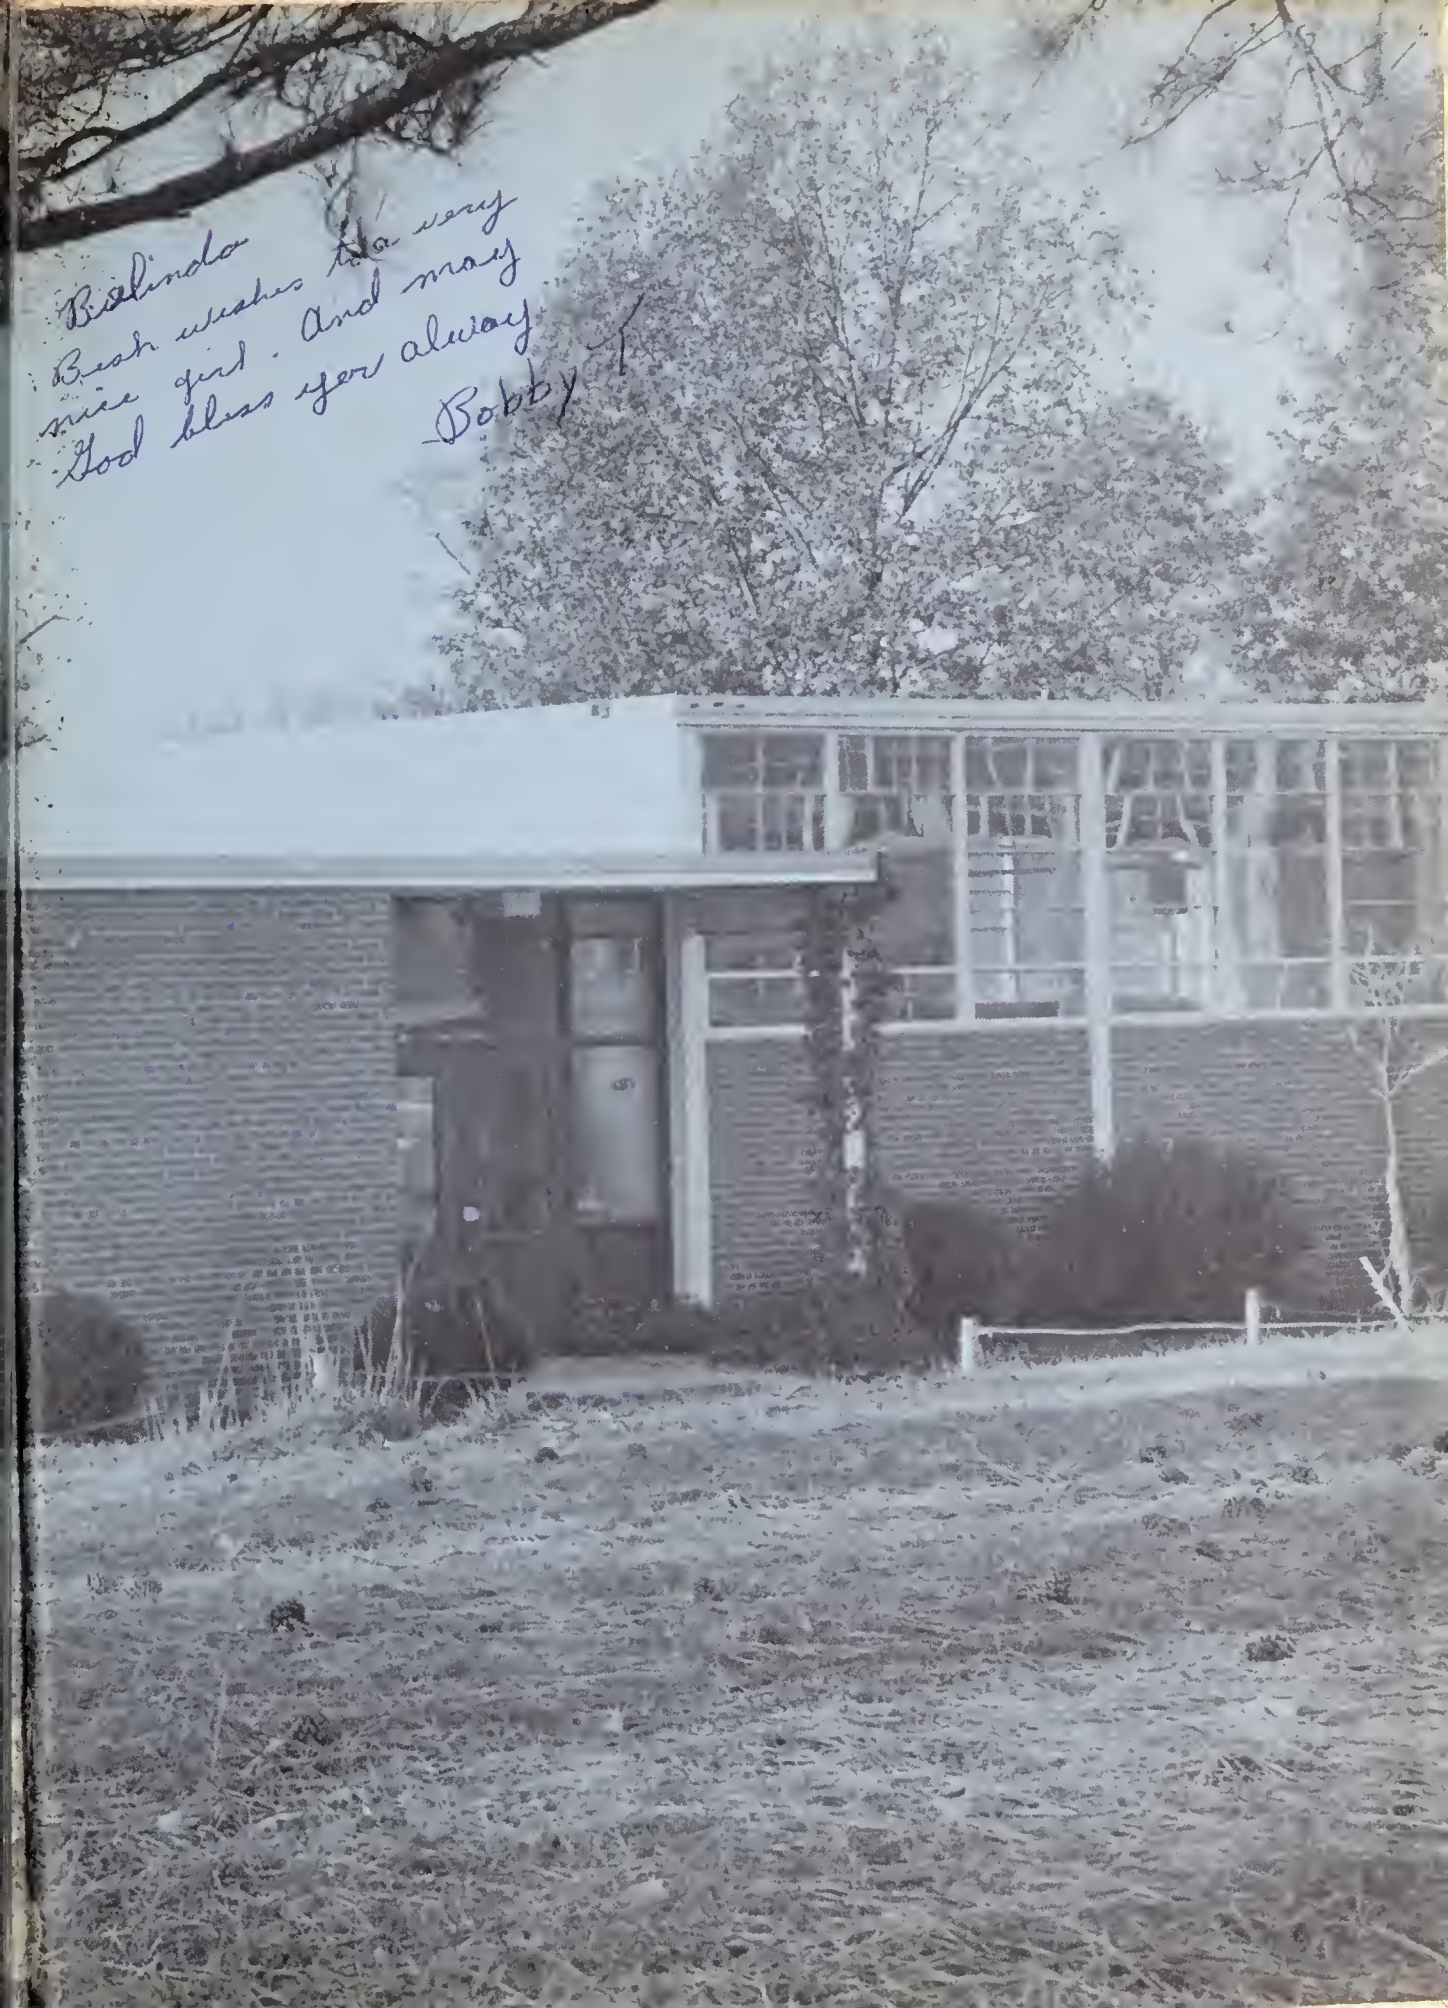

Please remember some of the things I've told you and don't go wrong (you know what I mean). You're just too good to do something like that. Hope we'll be good friends for a long time.

Brenda

Reserved

Behind!
I've been miss-
ing you in school
for years for the past
and while
I wish
I could be in
the
allison

Brenda
Brenda wishes to a very
nice girl. And may
God bless you always
